

Reverse Torah Rituals

Below are the Reverse Torah Rituals. Each of these can be started and performed as often as you wish... the more the better. The Jews repeat the reciting and reinforcing of these horrendous curses that damn Gentiles every week, each year. We will be following along after they reinforce these damnations and reversing them.

REVERSE TORAH RITUALS FOR 2016-2017

These rituals should be done after the dates given below. This is how it works: The enemy reads specific verses from their Torah on specific dates. This is done in synagogues all around the world on the same days and creates powerful astral energy that is used to enslave the world, create unimaginable wealth from the blood, labor and sacrifices of Gentiles, and to ensure success for the Jews and their escape from any justice. By reversing certain verses after they read them from their Torah, this works to destroy the energies they raised. We will wait one day and then go behind them, destroying this most evil energy.

Please keep this and download all of the rituals. If anything should happen to the internet, it is very important to keep doing these!! No matter what!! Our workings ARE exposing and destroying them.

Yom Kippur, the enemy New Year begins on the 11th of October 2016. This is when they recite the Kol Nidrei "prayer" that absolves them from any of their grave injustices committed against Gentiles [and even their own, as they prey upon their own, being the parasites they are], and also clears them from having to keep promises and keep their word. It is a criminal working that needs to be reversed. Gentiles pay for this!!

The dates change from year to year, but are pretty predictable and can easily be found online by typing in "[year] Weekly Torah Readings." For example: "2016 Weekly Torah Readings."

Though the times given include "anytime thereafter" these should be hit the hardest immediately following the dates given below.

The webpages have both the PDF and the Mp3 Audio links for download.
